Letter of recommendation: **Milliswa Marantsela**

Milliswa is an AVA (Action Volunteers Africa), Year Beyond (Yebo) volunteer who started volunteering with us in June 2018. Action Volunteers Africa (AVA) is a non-governmental organisation (NPO 2012/183456/08) which was set up in 2012. AVA's mission is to harness volunteering as a tool for youth development.

Year Beyond is a tutoring and mentorship programme working in partnership with WCED and DoTP. Yebo operates after school hours and is run with school learners who sign up on a voluntary basis. We employ a blended model of learning, incorporating small group face-to-face facilitation, technology-assisted learning, and fun educational clubs into our approach. Volunteers are assigned in groups of four or five to one school for the duration of the year and they work with the same learners every day.

Milliswa volunteers at Yukulhanye Primary School in Gugulethu and is a talented, intelligent person. She has charisma, confidence, strong values and respect for others. She is driven to understand how things work. She makes a difference in her team and in the school. We thoroughly recommend Milliswa for any future opportunity that she chooses to embrace.

Please do not hesitate to contact me, should you require any further information.

Yours faithfully

AVA Programme Manager
